

## Editor's Note

The following articles and essays were presented on November 9, 2007 at our symposium titled *Setting the Agenda: Examining the Critical Legal Issues Facing African-Americans and Minority Communities in the 2008 Elections*. As with all of the pieces we publish, "It is our hope that these pieces will not only provide meaningful contributions to academia, but that they will also provide an impetus for meaningful change in the lives of the individuals affected by these subject areas."<sup>1</sup>
